GATHERING OF VIRTUOUS

The Holy Prophet (sa) says:

Angels seek out gatherings in which Allah is being remembered, and sit with those people and cover them with their wings. When the people disburse, they fly to heaven and inform Allah that His servants were praising Him and seeking His favours.

Then Allah says: And what do they ask of Me?

The Angels say: They ask of You Your Paradise.

Allah says: And have they seen My Paradise?

The Angels say: No, O Lord.

Allah says: And how would it be were they to have seen My Paradise!

The Angels say: And they ask protection of You.

Then Allah says: I have forgiven them and I have bestowed upon them what they have asked for, and I have granted them sanctuary from that from which they asked protection.

The Angels say: O Lord, among them is So-and-so, a much sinning servant, who was merely passing by and sat down with them.

And Allah says: And to him [too] I have given forgiveness: he who sits with such people shall not suffer.
